Call for Proposals: Three-Year Health Grants

Healing Across the Divides: Enhancing Community Health in Israel and Palestine

Healing Across the Divides, an American charitable organization, is excited to announce a call for proposals for our three-year grants program. We aim to improve the health of marginalized populations in Israel and Occupied Palestinian territories through innovative community-based interventions. We are looking for projects that address health challenges within a community framework.

Funding Details

- Up to \$30k/year for 3 years.
- NGOs and CBOs in Israel and Palestine.
- Joint CBO/NGO Proposals are encouraged and welcomed.

Key Dates

- Preliminary Deadline: 8/15/24
- Final Decision on Preliminary Proposals: 9/1/24
- Full Proposal Deadline: 9/26/24
- Final Grant Decisions: 10/27/24

Grant Criteria

We are interested in projects that:

- Demonstrate improved health status within the context of community empowerment.
- Increase awareness among policymakers and other stakeholders about the obstacles to health improvement for marginalized populations.

Submit your preliminary proposal by August 15th, 2024. For more information or assistance, contact Nehad Fattah (West Bank and Gaza) at nehad@healingdivides.org or Veronica Vigdorichik at veronica@healingdivides.org.
